## Pre-Market Planning & Ways to *Save \$\$\$*

### FREE STORAGE BETWEEN MARKETS:

Dallas Market Center offers free storage of booth fixtures between shows as long as you leave your lease for the next show and a 35% deposit which goes towards your booth cost.

### ADVANCED SHIPPING TO WAREHOUSE:

By shipping your freight to the GES warehouse during the Advanced Shipment timeframe, your freight will be delivered directly to your booth with no additional drayage charges. This assumes, of course, that crate size limits are observed. Please refer to your Exhibitor Services Manual for more details.

### SAVE ON SETUP & LABOR COSTS:

Dallas Market Center is a "right to work" facility which means that you can setup and breakdown your own exhibit. This saves you significant money. Supporting labor is available through GES as needed.

# Marketing *Opportunities*

The Marketing and Retail Development teams work hard to promote temporary exhibitors and deliver more buyers to Apparel & Accessories Market. No other marketplace has a dedicated buyer delivery team attracting independent retail, major stores, buying groups, and international. Plus, we offer comprehensive support of our temporary exhibitors from our marketing team including advertising, emails, social media, videos, printed materials, and more. We're doing our part and here's how you can help.

## Send High Resolution *Photography*

Photos of your products may be used in emails, printed pieces, and social media prior to and during the show.

### Send your imagery to:

[images@dallasmarketcenter.com](mailto:images@dallasmarketcenter.com)

### Along with the artwork, include:

## Sponsorships/ *Paid Opportunities*

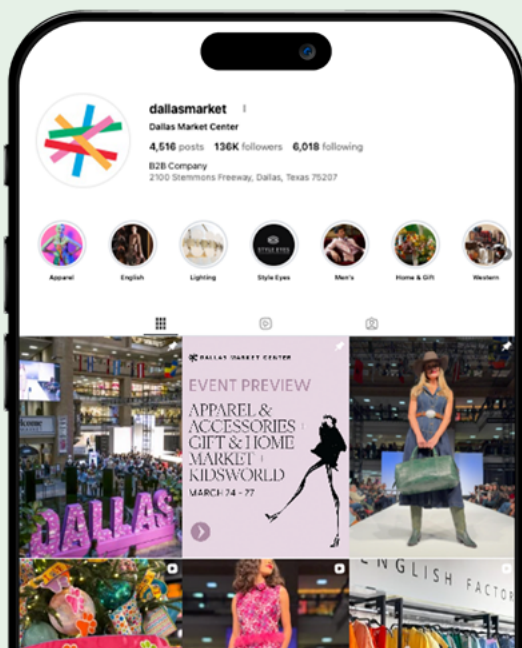

Our promotions team wants to help you spread the word and drive traffic to your booth. Sponsorship and advertising opportunities include: on-site sponsorships, email blasts/online banners, digital/video screen advertising, and magazine advertising.

### **Spark Magazine** is perhaps the best option.

The award-winning publication is distributed to more than 55,000 buyers one month prior to January and June Market, thus providing advertisers with maximum exposure and oftentimes pays for your participation – before you even arrive in Dallas. SPARK offers both hardcopy and digital options.
